

How to develop a dream team

For an SME, with little or no HR expertise, developing and managing a team is not simple. Here's how to hire people in Ireland.

Team-building is too important to ignore. If you can get beyond the buzzwords, it's also not that complicated. Much of the investment you need to make is about time, more so than money.

For an SME, best practice in team building can be boiled down to five main themes and taking action to change habits and behaviours.
