

## 170 small business grants and supports

**Does your business qualify for grant money? There are over 170 different Government supports for startups and SMEs in Ireland.**

Did you know there are over 170 different Irish Government supports for small businesses, including grant money?

There's a Government website set up to tell you, the business owner, what supports are available. You can find out what you may be entitled to by answering eight simple questions.

The site is called [Supporting SMEs.](#)
